OUR ESSENTIAL CARE PLAN

Our team provide high quality dental care in a relaxed, comfortable and pain-free environment. We have a career long commitment to delivering up to date techniques and modern high-quality dentistry. We have measured the effects of the regular attendance of our members and with the delivery of preventative and early problem detection we have drastically reduced their need for treatment as well as the associated costs. This platform for lifetime oral health supports a reduced risk of general health issues including heart disease, stroke and diabetes. We encourage such an approach and with this in mind we have designed our dental plan to reward our loyal members, allowing us to plan your care more effectively and reduce your need for further treatments whenever possible. When you join the plan you will have peace of mind that all your preventative needs are covered in a small convenient monthly payment as well as providing emergency relief of dental problems whilst on holiday.

“I received first-class treatment, the dental staff also ensured I was at ease and comfortable. The after care and support is second to none. I’ve attended many dental practices in my time and Cherrybank Edinburgh are without a doubt the best and most professional. Booking is easy, I’ve never found there to be a long wait and they are very keen to accommodate appointments around myself. Would recommend to everyone.”

“Absolutely amazing experience at Cherrybank, Edinburgh. From the minute you arrive, you’re met with a warm and personal welcome courtesy of the lovely girls at reception, to the comfortable and luxurious environment.”

WHO IS THE PLAN FOR:

Our plan is designed for those who care about their dental health and wish to have the peace of mind that their preventative needs are covered in a state of the art facility with fantastically trained team and all the pain free dental techniques.

WHAT HAPPENS IN AN EMERGENCY?
